Re: Notification to business partners

We would like to hereby inform you that on April 17, 2010 the decision of the Regional Court in Brno, approving the Reorganization Plan of the company KORDÁRNA, a.s., became enforceable.

The reorganization of the company KORDÁRNA, a.s. consists among other things in the fact that on April 17, 2010, a part of enterprise of the company KORDÁRNA, a.s. was contributed as a contribution in kind into the company KORDÁRNA Plus a.s. This part of enterprise is defined as an aggregate of tangible, personal and intangible components constituting the business activity of the company KORDÁRNA, a.s. in terms of the cost centres – 111 – Cord fabrics, 151 – Technical fabrics, 170 – DTÚ, 560 – Logistics and of the administration and service centres.

As a result of the abovementioned organizational change, your new business partner instead of the company KORDÁRNA, a.s. with the effect from April 17, 2010 is the new company **KORDÁRNA Plus a.s.**, Corporate ID 29195853, seated at Velká nad Veličkou 890, Zip Code 69674.

We believe that this change will contribute to a further improvement in our business relations and we look forward to future cooperation.
