ARMATEX RSR PET variants: 20/20, 30/30, 40/40, 50/50, 60/60, 80/80, 100/100

ARMATEX RSR PP variants: 20/20, 30/30, 40/40, 50/50, 60/60, 80/80, 100/100
- reinforcing geocomposites used in bituminous road surfaces

Producer: **KORDÁRNA a.s., 696 74 Velká nad Veličkou č. 890**

IN: 00012157

Manufacture location: **KORDÁRNA a.s., 696 74 Velká nad Veličkou č. 890**

The Authorized Body No. 219 performed the assessment of factory production control that complies with technical documents according to § 6 art. 1d) of the Ministerial Order mentioned above. The factory production control ensures that the products put on the market comply with the requirements of Certificate of Construct No. S- 06/04 (and Amendment No.1, No.2 and No. 3) issued by Authorized Body No.219, TZÚ Brno on 29.5.2006, comply with technical documentation according to §4, art. 3 of the Ministerial Order No. 163/2002 of the Code and comply with document of producer about results of initial type tests according to § 6, art. 1a) of the Ministerial Order No. 163/2002 of the Code in the valid wording.

Document of producer: producer's data sheets from 15.11.2002, 14.2.2006, 21.5.2006, 5.6.2007, 26.9.2007, 9.1.2008.

The present certificate has been issued on the basis of the final protocols No. 219/06/051 from 30.5.2006, No. 219/07/146 from 14.9.2007 and No. 219/07/184 from 18.10.2007 and No. 219/08/007 from 5.2.2008 issued by Authorized Body 219, TZÚ Brno, which are handed over to the producer. The protocols include conclusion of detection and validity terms of the certificate.

First the present certificate has been issued on 31st May 2006 and remains in force until the requirements of Certificate of construction No S-06/04 or production conditions or the production control system itself are not considerably changed.

The holder of the certificate is under regular supervision of Authorised Body in according to § 6 art. 2c) of the Ministerial Order No. 163/2002 of the Code, in the valid wording.

The Authorized Body carries out supervision of the factory production control once a year in the production site. The Authorized Body is qualified to cancel or modify the issued certificate in case the failing was found out.

The certificate issued:
In Brno on 6th February 2008

RNDr. Pavel Malčík
Managing Director
